

2020-2021 CAPITAL CAMPAIGN

“Change Begins With What We Eat”

January 1, 2021

Organizational Statements

Lillian Timber Farms is an educational and sustainable farm dedicated to growing and creating organic produce and products for healthy living practices in underserved communities.

Our mission is to foster and create community through teaching and learning sustainable gardening and farming practices and product production through project-based programming.

Through our efforts we support underserved communities through creating community gardens, co-ops, markets, and learning exchanges.
